Sir,

Subject G O No L 5251-2-M1 11-44-29 dated 30th November 1944, sanctioning the cycle allowance to the Bill collectors, during 44-45

--

I have the honour to state that in pursuance of the above, the cycle allowance from July 1944 to end of November 1944 was claimed on a supplemental bill and sent for audit The auditor has returned the bill with an objection that it is the intention of Government that the conveyance allowance of Rs 3/- per month has to be paid for 3 months only during the collection period in the year 1944-45, just as it was done during the year 1943-44 and that the bill cannot be admitted, Vide copy enclosed

In this connection I wish to state that it was never the intention of the Municipal Council to sanction the allowance only for three months during the collection season (as collection work has to be carried out throughout the year) as could be seen from the copy of the Council Resolution already submitted to Government If it were the intention of the Municipal Council or of the Government to restrict the grant for three months only in the year, it would have been mentioned either in the Council resolution or in the order issued by Government To make this further clear, I have herein enclosed a copy of the Managing Committee resolution, sanctioning the allowance specifically for one year, 1944-45 which was approved by the Council

In the circumstances stated above, I request that it may kindly be made clear to the Auditor through the Comptroller

to Government that it is the intention of Government to continue the allowance for one year from 1st July 1944 on which date the previous sanction expired
